

***Marina Carroll and Dr. Charles LaBelle
Music Scholarship Fund***

The Marina Carroll and Dr. Charles LaBelle Scholarship was created by Dr. James Carroll (husband of Marina) as a memorial to his wife and her father. Mrs. Carroll was instructor of piano and keyboard harmony, and began the chamber music program at Caldwell College. We will remember Marina as a passionate, caring teacher who had a personal concern for each of her students and their well being. Her diligence and determination caused her to continue in the face of obstacles that might have stopped others. Her positive outlook and strong faith was a model for all of us.

The recipient of this award should exemplify some of these same qualities: perseverance in the face of difficulty, charity to others, passion for music and life, and a strong faith. In addition, students should exhibit the same perseverance and passion toward their applied instrument.

Those who are writing letters of recommendation could be most helpful by relating how they feel the individual meets these personal and musical criteria.

The scholarship is awarded for one year with annual renewal based on review of performance and re-audition.
